FLYING DUTCHMAN WORLD CHAMPIONSHIPS

SANDRINGHAM YACHT CLUB **DECEMBER 27, 2003 - JANUARY 6, 2004**

Hot competition, perfect sailing conditions and a world class venue... all in the worlds most livable city! That's what makes the Sail Melbourne International Regatta the best sailing around next December - January 2004.

The 2003 Flying Dutchman Australian Open and World Championships, part of Southern Hemisphere's biggest regatta - Sail Melbourne - is set to be the best event in years. Held on Port Phillip Bay's 2,000sq kilometres of deep open water with regular sea breezes averaging 15 knots, water temperature of 20C and daily air temperature between 25C and 30C, it is the best place to sail in Australia. Bring the whole family and enjoy the close proximity of wineries and surf beaches, shops and coastline over the festive New Year period - altogether making it a great way to get away

The Sail Melbourne Management team understands the needs of international sailors wanting to compete in an overseas event and can provide support towards freight, short term insurance help with charter boats and plenty of accommodation options for you and the whole family... making it easier for you to take part in what's sure to be the best World Championships yet!

Take a look at the Sail Melbourne website (www.sailmelbourne.com.au), download the NOR and tell your mates because this is one event you don't want to miss!
